

Risk Disclosure – SPXChart.net

Last Updated: 09.11.2025

Introduction

This Risk Disclosure is provided by **SPXChart.net** (“we,” “our,” or “us”) to inform users about the potential risks associated with financial markets and the use of educational and informational content on <https://spxchart.net> (the “Website”).

By accessing or using this Website, you acknowledge that you have read, understood, and accepted the risks described below.

Note: Full access to all Client Agreements and related services may require you to **log in** to your SPXChart.net account.

1. General Risk Warning

Financial markets are inherently risky and may not be suitable for all users. Prices can fluctuate rapidly due to economic changes, geopolitical events, market sentiment, or other unforeseen factors. You may lose **part or all of any capital** when trading on third-party platforms.

2. No Financial Advice

- All content on SPXChart.net is for **educational and informational purposes only**.
- Nothing on this Website constitutes financial, investment, legal, or tax advice.
- Content should **not be interpreted as a recommendation or solicitation** to buy or sell any financial instrument.
- Decisions based on information from this Website are made **entirely at your own risk**.
- Users are strongly encouraged to seek **independent professional advice** before making financial decisions.

3. No Trading or Execution Services

SPXChart.net:

- Does **not act as a broker, dealer, or financial intermediary**
- Does **not execute trades** or hold client funds
- Does **not provide portfolio management or investment services**

Any interaction with third-party brokers, platforms, or service providers is separate and governed by their own terms, agreements, and risk disclosures.

4. Market & Performance Risk

- Past performance, analysis, or commentary **does not guarantee future results.**
- Examples, simulations, or market scenarios on the Website:
 - Are hypothetical or historical
 - Do **not guarantee profitability**
 - May not reflect current market conditions
- Market conditions can change quickly, and losses can occur even when using strategies that appeared effective in the past.

5. Technology & Data Risks

Using online platforms carries inherent risks, including:

- System outages or delays
- Data transmission errors
- Cybersecurity vulnerabilities
- Inaccurate or delayed market data

SPXChart.net **does not guarantee uninterrupted access** or complete accuracy of third-party data.

6. Third-Party Risk

The Website may link to or reference third-party tools, services, or platforms. SPXChart.net:

- Does **not control third-party content or systems**
- Is **not responsible** for third-party failures or losses
- Does **not endorse or guarantee** third-party services
- Users engage with third parties **at their own risk**

7. Regulatory & Jurisdictional Risk

Financial regulations differ by jurisdiction. Information on SPXChart.net may **not be suitable or legal in all countries**. Users are responsible for ensuring their actions comply with **local laws and regulations**.

8. Personal Responsibility

By using SPXChart.net, you acknowledge that:

- You are **solely responsible** for your financial decisions
- You understand the risks of financial markets
- You accept full responsibility for any outcomes resulting from your actions
- SPXChart.net is **not liable** for losses, damages, or claims resulting from reliance on Website content

9. Updates to This Disclosure

This Risk Disclosure may be updated periodically. Continued use of the Website after updates **constitutes acceptance** of the revised disclosure.

10. Contact Information
